Black Clover is One of The Best Action Anime in 2018

This photo is the latest cover of the Anime

Synopsis

Asta and Yuno are the orphans raised in the outskirts of the Clover Kingdom. In a world where people are born with magic, Asta was born without any. In contrast, Yuno was born a prodigy with above average magic power and the talent to control it. Additionally, in their coming of age ceremony, Yuno receives a rare four-leaf clover grimoire, like the original Magic Emperor. On the other hand, Asta received a tattered grimoire where a Devil lies within, a five-leaf clover grimoire.

The story follows Asta and Yuno as they crawl their way up the ladder of the Clover Kingdom's Order of the Magic Knights, in the midst of scrutiny by the nobles, to become the Magic Emperor. However, the title is only preserved for a single mage. Who will attain the coveted title of the strongest mage in the kingdom, Asta or Yuno?

Untuk membuat warna latar belakang web gunakan style= “background-color:warna yang diinginkan;” di dalam kurung pembuka body. Untuk memasukan gambar gunakan untuk mengubah ukuran tambahkan style= “width: ...px(lebar);height: ...px(tinggi);” pada img src

Untuk membuat paragraf gunakan <p></p> lalu guna <hr> adalah untuk menambahkan garis horizontal sebagai batasan untuk footer. Lalu untuk navigasi atau link gunakan <a href= “alamat halaman (link web)” dikarenakan saya ingin ketika di klik maka halaman terbuka di tab baru maka ditambahkan target= “_blank” sebelum di tutup.
